6th April 1925.

Mrs ~~John~~ Roskill,  
President,  
The Women's Institute.

Dear Mrs Roskill,

As you press me to remain on the Council of the Women's Institute, I will do so. As I have never done any work, and there is little prospect of my being able to do any, I felt I must resign from this position. as I do not like to take office without contributing work.

Yours sincerely,

Jh. Wintringham
