Dear Madam,

I am writing for  
Miss Reid in answer to  
yours of Nov: 26<sup>th</sup>.

We are still much interested  
in Women's Suffrage here,  
but though I made several  
efforts last summer, I  
have not been able to  
secure a Secretary outside

of the School Staff, &  
therefore the work is  
hanging fire, as we  
simply have no time to  
push it ourselves. Possibly  
Mrs Becher Carter whom  
you mention may be the  
right person. I have  
consulted Mr Lehmann  
at Bourne End on the  
subject, & have asked

W<sup>o</sup> Carter to be so good  
as to come & see me  
next month.

Yours truly

J. F. Howe.
