My dear Mr. Wilson,

Your retirement from Parliament  
will be deeply regretted especially by  
those who have at heart the  
uprising of a purer standard  
of morality as between the sexes.

We have not too many tried  
& trusted friends of this great cause  
in the H of C & you will be greatly

nursed. I earnestly hope that  
the reasons of health which induced  
your retirement will soon show signs  
of amelioration and that although  
your strength may not be equal  
to the strain of Parliamentary life  
you will still be active in behalf  
of the great causes to which you

have devoted yourself.

I take this opportunity of expressing  
my deep gratitude to you for  
all you have done for the cause  
of purity in the H of Commons.

With best remembrances to Mrs Wilson  
& your daughter

Yours sincerely

W G Fawcett
