Dear Madam,

I am desired by my Executive Committee to forward to you the following Resolution to be placed on the Agenda of the N. Union Council Meeting of October 25th on behalf of the Central Society:-

Resolution:-

"That this Council is of opinion that the N. Union should take an active part in every bye-election, whatever the views of the candidate upon the subject of W. Suffrage, and that it be an instruction to the Executive Committee to open a Committee Room at every bye-election that takes place in Great Britain and to avail themselves of these occurrences to educate the constituencies and forward the cause of Women's Suffrage".

Yours truly,
