~~The~~ Book binders <sup>^</sup> ~~Book binding~~ <sup>^</sup> a thoroughly  
suitable ~~and~~ <sup>^</sup> occupation for women, is <sup>almost</sup> a 'close' trade.  
It is nearly impossible for a woman to get any training  
in ~~book binding~~ <sup>it</sup> unless she can pay a very heavy fee,  
& when she is trained the work is not remunerative.  
The number of ~~women engaged in~~ Book binding as a  
profession for women is however increasing.
