Dear Mr. Justice,

I must send
you a line to express
my sincere regret that
I was not able to give
more attention to
the 'Angier' case. Most

unluckily I became
unwell on Monday
night & had to

spend a day & a half
in bed; an experience
which I have hardly
ever had before.

I hope the case devel-
oped well. I entertain

no doubt that on the
main point we are
absolutely right.

Very truly
