Dear Comrade,

I trust you are keeping Saturday June 17th, vacant for the Women's Suffrage Procession from the Embankment to the Albert Hall.

If there is a Branch in your district I would ask you to march behind its Banner, otherwise we would welcome you behind our central Banner.

Should you wish to know any details about the Procession, we shall be very pleased to inform you.

Owing to the growth of our Union, in future we shall not circularise our members, unless there is an extra special reason for so doing, therefore I would ask you to read carefully our weekly reports in "Votes for Women".

Yours sincerely,

pp. Victor D Duval.  
EDW.
