

Working Women's Meeting

---

AL/2832

2nd June, 1911.

Dear Miss Christian,

In Miss Strachey's absence I write to thank you for your letter of the 1st. We are very sorry that you will not be able to act as a steward at to-night's meeting, but much hope at some future time you will give us your help in this way.

The weather is indeed most trying, ~~and~~ we are hoping for a crowded meeting.

Yours truly,

Assistant Secretary.
