Dear Mrs Bentinck

Please forgive
me for not having
answered ~~you~~ your note
sooner. I received
it while in town
for a few hours
I unaccountably ~~so~~ much
which fact I put
forward as some
possible slight.

extenuation
my crime! ?

I am going
to do something
about an exhibition
when I return to
London but am not
in so violent a
hurry now as I
am not going to
America.

"The Society of
Fifteen" have three
drawings of mine
on show at the Little

theatre but I have
not seen them there
and beyond this I
am all ignorance.

Yes — the
"Free Speech" cartoon
is for sale. I
would ask £7.7.0
for it. If you
look it you would
let me exhibit it
later?
Yours sincerely
W. D. S. M.
