4, GRAY'S INN SQUARE,  
W.C.

My dear Mrs. Harvey,

How nice to see your writing again, and to hear from you!  
Mary Gorham is obliged, I am sorry to say, to have another operation before there is any chance of her being better. But I hope she may get through it. She is very weak and ill, and has suffered a great deal.

I wish there were a chance of seeing you this year. You are one of those whom I hoped to have met.

Affectionately yours,

P.S. I do hope your daughter is better.
