Cards in office - I am vexed
to find I cannot lay my hand

Report N.C.

Please ask some one to
send some circulars to
Mr. Murdoch
Calverley Lodge
Turbridge Wells.

It is thought
to be well to get in touch
with the friends of the
Church.

This people gave me her
name & told me the following
nice story:

Mr. M. was asked at the

time of the Election to lend her
carriage. She was thinking of
doing so - when she returned
herself & indignantly refused -
to send others to vote when
she was not allowed to herself.
On the day of the Election her
Coachman asked her daughter
why he was not driving
her to vote, when
it was explained to him
that she had none. He exclaimed
"That's a shame - I'd as soon
drive her to the gall as
any of the other votes -"
He meant it well - only
it was not pretty expressed.
Yrs Sincerely
D. Verbram.
