Dear Miss Strachey

I will come on the 21<sup>st</sup>, 25<sup>th</sup>  
& 27<sup>th</sup> for 12.0'clock meetings.  
on the 27<sup>th</sup> and again on Nov.  
3<sup>rd</sup> I can give all day and  
will be ready to be useful  
any way I can. I am afraid  
I can't promise more for  
I have three engagements  
out of town in the next fortnight  
involving four nights away  
and three evenings and  
going, besides the preparation  
of a lecture.

I don't think Speedwell must

go to Bermuda, till after  
Tuesday; She looks suspi-  
-ciously like having had a  
touch of influenza. If weather  
permits she will distribute  
some bills up here tomorrow  
and in town on Saturday.

---  
Here she intervenes to say  
she will be fit to come on  
Saturday evening.

Yours very truly
