Dear Miss Swacher

I wrote to Miss Black &  
Miss H. Davis, about the Emblems.  
I enclose the card the latter  
sent me. I take just her  
view about the non-party  
attitude — in leading the Emblems.  
You would be helping your  
friends, nor committing yourself  
to their views. It seems to me  
~~just as~~ much less a party move

than I help or put forward  
the name of a particular candi.  
date a candidate at an  
election because by me  
in favour of the vote.

I wrote in my former letter  
about the survey so I need  
not but that again. We will  
meet your wishes about  
whether we mention you or  
not, of course.

I do hope we shall be  
able to have ~~the~~ tribunes  
after all. Yours r. sincerely

Margaret F. MacDermott.
