

Northlands, English Cl Green. <sup>AL/3800</sup> July 18<sup>th</sup>

I want to tell you that I came here on Saturday evening all right, though not without some delay, for in spite of all your ~~in-~~junctions I was not up to Clapham-junction, missed getting out and had to go back from Grosvenor Street; however it whiled away the time for the 6 o'clock train and Miss Wise as well as her mother were at the station to meet me. This is a most lovely place in a lovely country. Still I may have to go to Cheltenham on Thursday, if I at all. Love to you and sisters. Alice C.
