Oct. 25. 1911.

Dear Dr. Gorton,

I am a member
of the Research Defence
Society, +, although I
hate speaking, I shall be
very glad to say a few

words after Dr. Sandwith's
paper on November 29th.

Perhaps, later on, you
will let me have a few more
details about the meeting,
& whether there is any thing
special. I am wanted to say

Yours sincerely

Hertha Ayrton
