Dear Mrs. How-Martyn:

We are now trying to rebuild the World Woman's Party which lost many of its leading women, and many of its national groups during the war. To help us in this effort we are inviting a number of outstanding leaders of the Woman Movement all over the world to give us the aid of their names as Honorary Chairmen. Would you be willing to help us by serving as one of our Co-Chairmen, and allowing us to have your name on our letter-paper? This would not, of course, involve you in any responsibility or expense - but we feel it would be an honor and support to our group to have the use of your name in this way.

yes

I hope so much for your own speedy and complete recovery.

May I take this opportunity to express to you my deep appreciation of the able, devoted, and long continued service you have rendered to the movement to raise the status of women. You have my heartfelt admiration and gratitude.

Sincerely - and ever gratefully, yours,

Alice Paul
