

A2/914

2 Government. Nov 30

1910

My dear Beattie,

I enclose cheque £550, being
the £500 from Miss Dodge

Warwick House St James's

S. W.

and £50 from myself for the N. A.
election fund. Miss Dodge says in

her letter "I have just read the appeal

in the Common Cause for funds

for the election in St. Pancras

and enclose a cheque for £500 for this.

It is a splendid thing and I do

hope there will be a great success

attending Mr. Jacob's candidature."

I went to see Miss Strachey
on Monday about this magnificent
donation and learned from her
that the London Soc^y had
already received contributions from
East^{on} Paucers as election fund and
that it was not probable that
an article of Miss Dodge's gift
would be needed in that one
contest. I also saw Miss Dodge

At 1914 cont.
yesterday and obtained permission
from her to use part of her donation
for the contest in Glasgow or for
our other election needs during the
general election.

Yours very sincerely

W. G. F.
