My dear Miss Mackey -

I return you postal order for 15/-
& £1.5-0 in addition, because I
promised £2- in the hall, & had no
money with me - I thought the
meeting magnificent, & our dear
great leader made such a warm
tribute to me of the organisation
of the N. U. - & their admirable
behaviour in the hall which saved
the meeting from being wrecked.
Since then I have heard that the

N. U. box representing North Ants, &
that representing Nottingham were
amongst the special Disturbances - I can't
believe this, & sh^d like to hear you
certain it is untrue.

It was joy to read that the Ants did
not have a unanimous meeting.

Did you read the leading article
in the Morning Post today?

It was really too outrageous.
