Dear Lady Currie -

I was so thrilled

to meet Miss Haldane: I have
so often been told about her, &
wished I could have more than
the little glimpses - She told me
you were here. I am going to

be my brother (c/o Mrs Rhewon
Guest. 1A Thornton Hill - Wimbledon
for some time & should love
to go & see you if I may -

I am not yet very nervous,
but the heart is quite well again!

Yours ever affly

Freya -
