Dear Miss Watts,

I am so sorry I am late answering but I am only home at week ends, and am rehearsing all week in London.

I am afraid I shall be away till June, when we hope to get into London when a theatre is available, so if the play runs it will be some time before I am free.

Thank you very much for your invitation, I feel very honoured to be included in such a distinguished list.

Yours sincerely,

Lora Robson
