Dear Mr. Mackenzie Bell,

I beg to thank you for your letter of yesterday.

I am very glad to hear that you have procured an opportunity for us at the North Lambeth Liberal and Radical Club on March 17th next. I understand from your letter that you will speak at this meeting. We are in course of arranging for meetings now and trust that we shall have your help as occasion arises.

I am ~~including~~ ^{enclosing} postal order for 1s. 10d. in payment of your expenses in connection with the Ilford meeting. We again thank you for taking the meeting. Thanks, too, for showing me the cuttings from the "Ilford Recorder." I expect that until the Conciliation Bill is disposed of one way or another it will be brought into almost every discussion on the Suffrage question. Doubtless you saw in the papers that the Federation had decided that it would officially neither support nor oppose the Bill, but would continue its

agitation for a Government Bill based on Adult Suffrage.

I am,

Yours faithfully,

Secretary.

P.S.

Since dictating the above I have received your post card. For some time past I have had entered in my list of things to be done the idea which you submit to me. As soon as we have got our autumn and winter campaign completed we shall send circulars giving the fixtures to a large number of papers, and shall also, as the date of each meeting comes along, send notes for inclusion if possible in the lists of "Meetings, etc." which are published daily or weekly in various journals. I thank you for your interest in this matter.
