Dear Madam

There must be some  
mistake. I am not in any  
official position at all in  
the Adult School nor must  
I have never even been on

the National Council.

I think the best person

to apply to would be the

Secretary of the London Union

whose

George Everett

88 Abchurch Lane

New Southgate

There is a directory of schools  
published which would give you

119

(I think it costs 6<sup>d</sup> but cannot  
sure)

the names of the Secretaries of all the

womens schools in London - most of the  
head & know

adult school women are enthusiastically

in favour of the movement. Our own

school is at 52 St Martins Lane WC

if you sent some papers to the

Secretaries of the womens adult school

~~at~~ 52 St Martins Lane  
WC

I don't doubt you would get attention  
so far as the school is concerned but there are  
50 womens schools in London - I got  
the directory from George Peever. I am sorry  
I cant do anything yours faithfully
