(no 20)

My dear Pippa

I have applied for  
a fortnights leave in August  
and if I get it shall leave  
about the 9<sup>th</sup> for Ennla  
when I shall have about  
10 days. Dick has offered  
me a room in Enn Villa  
so I expect to enjoy myself  
intirely. Charlie & Aggie  
are also expected to be  
there.

If you know of any

amassing books you  
might tell Bampus to  
send them to me and  
put them down to my  
acc. I am already getting  
from him the Temple Suite  
and Mrs. Ritchie's Madecray  
so he knows where to send  
them. I should also like  
to have sent Belinda  
goes shopping or whatever  
the thing is called.

Have you been to <sup>see</sup>~~see~~  
the Matherlink play? I  
think it would have  
satisfied our troupe rather
