My dear Lord Lytton

I wonder whether I could  
induce you to do me a  
real kindness? will you  
come & be my guest at  
the Annual Dinner of  
the Society of Women  
Journalists at Prince's  
Restaurant on Saturday  
Dec. 7<sup>th</sup> - I have - for  
my sins! - undertaken to  
be President of the Society

for this coming year. This Dinner  
is the chief function of  
the year, & I am asking 3 or 4 friends  
to be kind enough to come & support me,  
& if you would be one, & would say  
a few words, I should indeed be  
glad. It is a large society - I expect  
about 300 will be present - & I  
cannot help having much sympathy  
with the strugglers in the profession,  
however much we may dislike the  
papers for which they write!

Believe me

Yours sincerely  
Mary A. Ward

It would be very kind of you  
to send me this telegram.
