Dear Miss Buxton

Thanks for your note —

I think if you will put yourself
as having subscribed to the "Franchise
League in 1891" that will ^{be} correct.

It must have been the
Franchise League you joined at
St. Paul's Church. As I know it had
a meeting at his house about that

time & I know he was a
subscriber of that League, of which
Miss Julia Bright is the head.

It is quite separate from
my National Union of W-S. Societies
for it works on different lines
& does not confine itself to the

one portion of the franchise

as our Societies do - But

still of course that is one main
object.

The fact however
of its working separately prevents

our having record of any of its
subscriptions - and the

date when you began to take in

the Journal, is I fear hardly

now to be found - now that the

Journal has been so long closed

I am sorry

to hear you have been
suffering from your throat. I

am very little able to get about
in these days from extreme
lameness - but I hope we
may meet, at some of the

meetings in respect on
subjects of common interest

Excuse best - Believe me truly yr

Walter Blackburn
