Dear Mr. Martin

As my work is now
at Harley St I think
it will be best for me
to look at it again
when I am next in
London wh will be
quite soon. I have
as I told you to replace

it for a bazaar here
in the summer, or

meantime I have

no record of the

designs. When I ^{have} seen

it & made such a

record I will if you

still wish to have it

send it to you, or

I will undertake to

give you its value

in similar work

Early in October when

I shall be back from

Scotland & the Bazaar

here will be over.

Yours truly

E. G. Anderson
