Dear Mrs Billington-Grey

I was much

impressed by your exposition of
the differing methods & characters

of the W.S. P.U. & the W.F.L. last
Saturday. Though I had heard

of the W.S. P.U. myself I thought it was
the best case for the W.F.L. I had
ever heard. It was a most

interesting & enjoyable occasion

altogether.

Yours sincerely

Stella Hewson
