Dear Miss Strachey,

Thank you for your letter. It was most kind of you to answer my questions in such detail, & I should have thanked you before, but I got your letter just as I was leaving town. "British Freewomen" has been forwarded here to me. I should like to keep it & will send you a postal order for it as soon as I can get to a post office, which will be in

a day or two. I am ordering "Tomlin's Suffrage"
by Miss Blackburn at my booksellers.
When I am in town again I shall make a
point of coming to Victoria Street, it would
give me great pleasure to make your acquaintance
& get in touch with those who are so active in
the cause of this reform which we all have
at heart.
Thanking you again most sincerely for
all the information you so kindly sent me
Yours very truly
Marie A. Lewis.
