PLEASE ADDRESS REPLY TO—

Dear Dr. Taylor,

26 West End Lane
N.W.6

Many thanks for

Aug 2.

Your card.

We shall be very glad to have

Your mother's prison material. We are particularly

in need of prison badges & medals, shall be

glad to have all you mention

The bulk of our collection has been

landed over to the London Museum which

has just re-opened in Kensington Palace.

You will like to see it there. Their space is

limited, but what they are able to show

is excellently displayed. We still have a

nucleus at Cromwell Rd & Rio we must
keep as we are constantly lending to
journalists, pageants etc. We are sending
small collections to Edinburgh & Manchester
& also to Australia where one of our members
is opening a suffrage museum. So we have
cripple means for getting everything displayed.

I remember your father's case well & I
remember him. I lived in Leicester during
that time & his case caused a great
stir all over the Midlands.

Please look me up when you are in
London.

Yours sincerely

Stella Newson
