Dear Mrs. Guesary,

Thank you very much for your
most kind letter. I should have loved
to have accepted your invitation; but
important business in connection
with the unemployed women has turned
up to-day which will force me to be
in London no later than midday
on Friday the 10th and I have an
engagement to speak on Sunday 12th.

So my visit to you must be
later.

I am much interested to hear
of Prof H. Jones's lecture. I indeed
Socialism, like every thing else that is
good, can be presented in false and
foolish ways. There ought to be no
personal or class bitterness that
we get had when we read the "cutting"
I will do so this evening. My address
in Wales will be principally on Socialism
which is to me a religion
with the kind regards - thank

Yours sincerely
C. Desford
