My dearest Amy

Just a line to thank you over  
again most warmly for those  
charming flowers. You never  
fail to give this token of your love  
& sympathy. It is a great joy

and real help to me.

We shall have luncheon tomorrow  
at 1 sharp in order to be in time  
for the Church League Procession.

I am so glad you can come.

Mr. Goldman who spoke last night is  
one of Edmund's S. African friends

Yours ever lovingly MGF
