Nell was just well yesterday - she slipped  
and into my hand but she had fractured  
her excitable so they put her into the  
Hospital when she is now comfortable  
Patue is seeing her this morning & Mark  
is seeing the Solicitor Mr Marshall. He inclines  
I think it useless to be defended, but I  
have said "Defend if the very slightest chance  
of sentence being thereby reduced" V. L. P.
