

No

23rd June 1910.

AL/209

Dear Miss Strachey,

My presence on the platform would be no use unless I were labelled; and if I were, the audience would be so irritated at seeing me sitting there without hearing a speech from me that it would probably move an amendment in opposition to the Bill and carry it. Besides, I shall not be in town on that Tuesday.

Yours sincerely

G. Bernard Shaw.

Miss Strachey,

The National Union for Woman's Suffrage,

58, Victoria Street,
