UXBRIDGE.

8th April 1907.

Dear Mr. Puller,

I am so very glad you
are coming to speak at
the meeting I am getting up.
I am also very pleased
you are coming to luncheon
with Mr. Pecker Plipson.
I hope you will stay to tea
afterwards. I am having

39 St Andrews

URRIDGE

an "At Home" after the
Meeting. The Posters are
all to be out tomorrow, &
I am sending these cards to
local people, & I am also
going to have hand bills
distributed. So that I
do hope we will have
a full meeting, although
the people here are very
independent & difficult to

course at all times.

I am knowing an advertisement put in the local papers, & they are both going to send reporters, & are going to put notices in their papers.

I am wondering how we can get the meeting reported in the Tribune, perhaps you can suggest a way.

I am
Yours sincerely
Clarice H. N. Davidson -
