OBJECTS.

Dec. 1, 07

THE objects of the Trust shall be to promote the equality of men and women before the law of the land; to diffuse a knowledge of the position of women as compared with men under that law, and as it might become under any suggested alterations of it; and in regard to the relation of the sexes to maintain their equal responsibility to one and the same moral law.

Dear Miss Palliser,

Your Association used to subscribe to the Stansfeld Trust & receive my reports. I greatly regretted that you ceased to do so, not only or even chiefly because we need funds, but because I think it is so important at the present time that we should have among the list of subscribing Societies so important a one as your own. If your Committee subscribed £1000, it would enable your country branches, as you will see by enclosed Report, to get the reports

for 5/- . More than once the secretaries
of such branch societies have told me
how useful my reports would be to
them but that they could not pay
£1 us us .

I should be much obliged to you, if
you would kindly bring this matter
before your Committee .

I am
Yours truly
J. W. Chamney
