Dear Madam,

Thank you very  
much indeed for so kindly  
and so fully answering my  
letter and for taking so  
much trouble in the matter.

So far from thinking the  
Editor of the "Tribune's" letter

satisfactory, I consider it very unsatisfactory, and shall discontinue taking the paper. Of course, if a satisfactory understanding is arrived at and the Society wishes its members to support the "Tribune", I shall take it again.

I am very glad indeed to hear about the At Homes, and shall do my best to come. I think

They will do a great deal of  
good in promoting what is, I believe,  
called the "Solidarity" of the movement.

Again thanking you,

Remain, Dear Madam,

Yours very truly

Wm. H. Furness
