Dear Mrs Newsome,

Thank you for  
your letter and the notes to  
refresh my memory about the good  
things which Mrs Pethick Lawrence  
has done. I wrote to the Prime  
Minister a day or two ago, and  
hope very much that he will take  
some notice of the letter!

Yours very sincerely,

A. H. Royden.

P.S. I have just had the  
P.M.'s reply. Don't trouble  
to return it.

A. H. R.
