

Cawnpore
1st July 96

My dear Pippa,

This week has been a peaceful one — no more horrid knocks of earthquake shocks, only the pleasant pour of rain galore (would like some more).

I saw Myhr yesterday at the station on his way through to Mussoorie when he is going for a month having been bad with fever for some time. I daresay he will stay here for a day or two on his way down.

I think I shall go to Mussoorie some time the beginning of next month.

if I can get; I shall have nearly
a months Priv. leave due and its
no use wasting it - October would
be the best time for it, but you
~~can't~~ have got to wait for 3 months
after coming back from leave before
you can take furlough, so August
is the latest that will do. I
think I mentioned this before.

The cup is dry
So now goodbye

Your loving brother
