Mr. Walter Hill,
I. L. P. Club,
30 Tentercroft Street,
Lincoln.

Dear Sir,

Miss Crocker of 30 Bridlesmith Gate, Nottingham, the
W. S. P. U. Organizer, has just telephoned to say that you would
be glad of help for your meeting in the Corn Exchange on Friday
next.

I am keenly and actively in support of "Votes for Women" and my
wife has been in prison in consequence.

I am very anxious to do all I can, but I may just possibly have
to be in London on Friday, and in view of my forthcoming law
case, (to test my right to be asked to leave a meeting before I
am assaulted and forcibly ejected) I must not undertake too much.

Will you please let me know here by return, and in strict confidence,
full particulars of what you require, with time, place, to whom to
apply, &c., &c. ?

I will then, on receipt, wire to you whether or no I can attend.

Contd.
