Dear Miss Farmer,

Your letter on the subject of the "Tribune" was before the Executive Committee yesterday, and I am desired to tell you that they fully agree with you as to the unsatisfactory manner in which the paper has carried out its promise to support our cause. They strongly advise your writing to the Editor to let him know your reason for withdrawing your subscription, as it is very desirable that he should realize that he is losing by not keeping to his side of the bargain.

An opportunity will be taken at our Annual Meeting (which will be held early in November) to express the regret of the Committee that the Tribune should be of no more good to us.

Unfortunately we do not know which of our members were led to take it in by our advice, so that we cannot write to them individually.

Believe me,

Yours very truly,

Miss A. Farmer,
