A 2/3857

I have written about once to once
of the best reported establishments
here to order a catalogue to be sent
to you straight. But I have also
ordered one for myself, so you need
but write to me for it, if yours
should not be in ^{your} possession of
~~you~~ within a few days.

I have just taken a flat in this
neighbourhood and shall go into
it in September. Whistunlike I
intend spending at Barmhensen.

Yours affecly
A. von Cotta
