Dearest Mother,

We were so glad to get the parcel etc. I will wash the things tomorrow & send them off at once with the other things you want.

There is so little outside news.

Helen has come to stay a few days. She ~~she~~ has changed so much & is quite

frenchified! Daddy is not  
coming home to night. He is  
ever so much better for his  
Easter holiday.

Garth goes up to cricket  
practice every day & he will  
be in the 1<sup>st</sup> XI at school.

Markies is very jolly &  
busy in the workshop. He is  
so very pleased with the new  
new little letter.

Garth & I had such a  
jolly time at Auntie Mable's  
on Tuesday

Garth is starting on  
Monday for his tour with  
Johnnie Russell.

We are so glad you are  
more comfortable in hospital  
Are you in bed all the  
time I wonder, or up?

I have let Nannie know  
all the news of you & I  
have heard from her several  
times.

You can think of us  
having our Sing Songs in

the evening. We have been

singing "Sally Mother"

tonight & "Fight on - fare  
ever there as here!"

We are always thinking  
about you & I know you  
are about us.

Good night Mother dearest  
Much love & kisses from us  
all

Doro
