Dear Miss Strachey

I sent yesterday by Jew

8 copies of my book

£ 5 10

The prices of the large Aqueduct
at ^{2/6} ~~1/6~~ the copy at 1-0-0

Wore pulling a number
of trinkets made out of
Carnelian etc that we
ourselves picked up on

the Southwood Beach. *

I have marked them a little
over what I paid & have
them mounted. They would
come therefore to

Total value

1-10-3

£ 2-10-3

If anyone can be found
to give more for the good
so much the better for
the Cause!

I am laid up again with
bronchitis so do not know
when I may be about
again!

I have not yet written the
letter I suggested to the
"Common Cause" asking
for subscriptions in addition
to my promised £5-0-0
as I thought I would
wait & hear first what

the Election Policy is to be,
as I may prefer to
word my letter differently
from what I at first
intended.

Sincerely
Yours

Walter Forsyth.

PS/ I wonder if your Society
is going to support
Mr. Mitchell whom the
Lancashire & Cheshire
Women Textile workers etc
are bringing forward as a
Candidate for Mossendale

at the coming Election?
We have received a notice
from Miss Mrs Booth & Miss
Droper asking for subscrip-
tions towards his expenses
