Dear Madam,

I am much interest-  
ed in the question of  
Women's Suffrage and  
would be glad to do what  
little I can to help, but  
it would be chiefly by  
my pen & my influence,  
I trust you be to good work

Can you know what con-  
cludes membership  
of the Nat<sup>l</sup> Union of Women  
Suffrage Societies. I should  
like to be a member of  
one, which would not expect  
me to take part in noisy  
demonstrations, like those  
you have witnessed lately.  
I have no doubt that you  
has some former members  
but I cannot give any

Starchy that expects me  
to support the Supplicants  
I wrote to a friend of mine  
who has long been working  
for this end (W. S. S. S.)  
but she frightened me off  
by sending me "Shafers"  
& expecting me to go to  
meekness & uphold the  
Army Supplicants. Surely  
there must be a nobler  
way. I can write, in my

in which

Subject I am interested  
I should be glad to devote  
my talent to this object  
if possible

Anyhow you will I am  
Sire assist me with your  
advice

I am

Yours truly  
Henry Campbell Smith
