Dear Mr. Taylor

Thank you so much

for the copy of your letter
sent to the W.S.P.A. It is

comprehensive + to the point
+ above all, in this dark time,

it is a comfort to feel we

have one man who thinks -

I am so proud of your wife -

I know what it must have
cost her to have done what
she has. I have anxiously
looked on as to what
imprisonment she has got
but have not seen it.

With kindest regards,

Believe me

Yours sincerely
