Dear Miss Strachey

I thought you would
be pleased with our starting
a Womens Suffrage Society -!
I want to thank you for
all the literature, which
has just come in time
for a little fathering, & for
your letter; & please I
should like a sample packet
of leaflets, so have added

That do the little bill
& enclose a P.O for 3/6 -

I shall pass on what
you say about γ ? policy
at bye-elections, it will
give food for thought -

I was much interested
in the learned opinion on
freehold acquired by marriage
qualifying a man for the vote -
which you kindly obtained
for me -

Fawcett Library
27 Wilfred Street
London S.W.1.

Thanking you again 217f

γ ? Sincerely

J. Elc L. Walrond.
