The Secretary,
The Women's Institute,
92, Victoria Street. S.W.1.

Dear Madam,

I am writing to you on behalf of the Executive of the Women Police Service, to ask if you would grant me an opportunity of addressing your Committee on the subject of the Women Police Movement.

We feel most strongly that the Women's Societies of the country should take definite action with regard to this movement, and should bring pressure to bear on those in authority, in order that Women Police should be appointed all over the country.

We feel that Women's Organisations can use the necessary influence in order that the movement shall go forward and be in a stronger position than ever before.

We ask you, therefore, to consider allowing me to attend your Committee Meeting, in order to place before you certain facts. Your Committee would then, after I had explained matters, be able to consider whether they were prepared to take definite action.

I remain,
Yours sincerely,

Mary S. Allen

COMMANDANT.
