

Berlin, March 24<sup>th</sup> 06.

AY 3827

My dear Nelly I hope you have  
not given up your plan of coming  
over to Berlin at Easter. I have got  
information for you about Thierbach  
and Clemens Liebermann. Bidding  
The Easter holidays begin on April 7<sup>th</sup>  
and last till April 23<sup>d</sup>, but you are  
welcome to me any time after the  
9<sup>th</sup> of April and of course as long as  
you want to stay after the 23<sup>d</sup>, as she  
will not come back till the beginning  
of May or quite end of April. I am  
waiting for your decision. Love!  
A. Schöten
