

Adjourned Annual Meeting

WHITTINGHAME,
PRESTONKIRK, N.B.

AL/690

STA: EAST LINTON, N.B.R.

TEL: STENTON.

Nov. 13/09.

My dear Mrs Fawcett
I got here last night of
a campaign in Wales. Rather
the stony soil, but I think
I got the Bishop of St Asaph
soundly converted:

I am so glad you have got
Miss Mason for that job, she
will make it go as well
as it can. I may be in
London, but I shall have
been speaking in Oxford, &

This was a mistake
m. 9.7

Tunbridge Wells the two pre-
vious days, & if I can keep
Saturday of my family I
do, & I have a little festivity
on that day, wh. I would
throw over. Thank you much
for getting me released!

I was just talking to Betty
about Crewe's speech. How,
obviously frightened he is, &
wishing to speak us fair, &
appears his liberal women -

Arthur (Salisbury) made big
mistakes in not following

Digger's lead.

Yours affly

Francis Baffin
