Dear Miss Whitehead,

I have received the kind letter from your Committee on the subject of the Demonstration on July 9th. My Committee will unfortunately not be meeting again before September, when it will be placed before them. I feel, however, that I cannot wait till then to let you know the very great pleasure with which the kind expressions of your Committee have been received. I am sure I am speaking on behalf of all who worked for the success of the demonstration, when I say we were all delighted to do what lay in our power for it. I only wish we had been able to do more.
